3/4" GREEN PVC W.P. 200 PSI WATER HOSES

Model #	Sizes
HCG19-025E	3/4" 25ft.
HCG19-050E	3/4" 50ft.
HCG19-075E	3/4" 75ft.
HCG19-100E	3/4" 100ft.

Working pressure 200 PSI
Safety factor 4:1
Temperature -20°F to +150°F
3/4" GHT solid machined brass fittings

SPRINKLER / SOAKER HOSES

Model#	Description
6870003	30' Long
6870005	50' Long
6870007	100' Long

Comes in a 6/Case Packaging

SPRAY NOZZLES

Model# 8430355

7-Pattern Torch Nozzle with Soft Grip

Features:

- 7 different patterns support diverse watering needs
- Comes with a comfortable ergonomic grip for fatigueless use
- Features a soft dial ring to prevent any damage
- Toggle on/off switch makes operation quick & easy
- Premium build quality lasts for a long time

**Model# 8430346**

Multi-Pattern Adjustable Insulated Twist Nozzle

Features:

- Adjustable patterns for a variety of watering tasks
- Features a comfortable grip for long jobs
- Comes with a soft adjustable tip that prevents damage
- User friendly push thumb valve makes operation easy
- Premium metal alloy build brings durability

**Model# 8430339**

9-Pattern Metal Front-Pull Lever Nozzle

Features:

- 9 different patterns including mist, fan, cone, flat, soaker and more
- Comes with a comfort grip to limit fatigue
- Features high quality metal construction for durability
- User friendly front-pull lever makes watering tasks a breeze
- Designed for easy and comfortable long use

**Model# 8430405**

9-Pattern Metal Ergo Lever Nozzle

Features:

- 9 patterns allow you to perform a variety of watering jobs
- Sports a highly ergonomic fiberglass reinforced lever to restrict fatigue
- Comes with premium quality build for enhanced durability
- Comfortable grip makes sure easier operation
- Built-in soft dial ring guards nozzle against damage

**Model# 8430351**

10-Pattern Metal Back Trigger Nozzle

Features:

- 10 different patterns enable you to carry out a range of watering jobs
- Features an ergonomic fiberglass reinforced lever for easy usage
- Premium metal alloy build offers improve durability
- Soft coated ergonomic grip makes usage fatigue free
- Built-in soft dial ring protects against damage

**Model# 8430446**

Fireman Metal Nozzle with Back Trigger

Features:

- Adjust water spray output from extra wide to blasting flow
- Comes with a fiberglass reinforced lever for convenient use
- Heavy duty metal build brings industrial level durability
- Ergonomic grip makes long hours fatigue free
- Provides the versatility and performance for professional jobs

Model# 8430340

6-Pattern Back Trigger Compact Metal Nozzle

Features:

- 6 patterns for performing different watering tasks
- Includes a fiberglass reinforced lever for convenient use
- Exceptional metal build ensures long term durability
- Fatigueless operation with soft coated ergonomic grip
- Built-in soft dial ring protects against damage

Model# 8430352

11-Pattern Back Trigger Turret Nozzle

Features:

- One of the most versatile watering nozzle with 11 different patterns
- Easy to use back trigger for quick and convenient operation
- Metal constructions ensures long term durability
- Soft and ergonomic grip restricts fatigue for longer jobs
- Provides the additional versatility and performance for watering tasks

Model# 8430344

Front-Pull Adjustable Pistol Nozzle

Features:

- Continuously adjustable pattern offers desired versatility
- Compact lightweight nozzle for easy maneuverability
- Ensures efficient and precise water flow at all times
- User-friendly front-pull trigger brings convenience
- Premium quality metal construction for long term durability

Model# 8430407

Adjustable 7-Pattern Front-Pull Nozzles Combo

Features:

- Versatile combo of continuously adjustable and 7-pattern nozzles
- Get two spray nozzles at an affordable price
- High quality construction ensures long product life
- Front-pull trigger for quick & easy use in different watering jobs
- Ergonomic grip prevents user fatigue during long tasks

Model# 8430406

Adjustable 7-Pattern Back Trigger Nozzles Combo

Features:

- Useful combo of adjustable & 7-pattern plastic nozzles
- Buy two different spray nozzles at an economical price
- High quality plastic construction ensures durability
- Both nozzles have a fiberglass reinforced back trigger for easy operation
- Soft coated ergonomic grip makes long watering tasks convenient

Model# 8430447

High Flow Heavy Duty Metal Nozzle

Features:

- Large flow control handle for easier operation
- Features a soft coated ergonomic grip for fatigueless use
- Adjust anywhere between blasting flow & fine wide angle spray
- Premium and heavy duty build for enhanced durability
- Provides improved versatility and control for a variety of watering tasks

Model# 8430338

Adjustable Front Pull Nozzle

Features:

- Continuously adjustable for better control over water flow
- Handle water control with a strategically placed knob
- Premium quality metal construction brings long product life
- Front-pull lever for convenient operation in a variety of watering applications
- Ergonomic soft coated grip for fatigueless use

Model# 8430341

Adjustable Back Trigger Brass & Aluminum Nozzle

Features:

- Continuously adjustable for improved water flow control
- Adjustable soft tip prevents any potential damage
- Premium brass and aluminum construction for long term durability
- Fiberglass reinforced back lever for easy toggle and smooth operation
- Ergonomic soft coated grip prevents tiredness

Model# 8430342

Adjustable Back Trigger Brass Tip Nozzle

Features:

- Continuously adjustable from fine mist to heavy stream
- Lockable back trigger for effortless continuous spraying
- Premium brass and zinc build for exceptional durability
- Insulated unit keeps the handle from getting hot or cold
- Ergonomic and contoured soft grip prevents fatigue

Model# 4400374

Insulated Back Trigger Metal Nozzle

Features:

- Watering made easy with dual soft coated grip
- Insulated nozzle body prevents it from getting affected by water temperature
- Premium quality metal build for great durability
- Threaded head adds functionality through attachments
- Protective cap keeps the thread safe from damage

Model# 4400376**6-Pattern Back Trigger Metal Nozzle****Features:**

- 6 different patterns allow you to meet a variety of watering needs
- Textured grip ensures user always maintains a firm grip
- Premium build quality ensuring long life and durability
- Fiberglass reinforced back lever makes the watering job convenient
- High quality nozzle for residential and professional needs

**Model# 4400377****4-1/2" Threads Back Trigger Metal Nozzle****Features:**

- 4-1/2" thread allows you to use different accessories and attachments
- Textured grip for convenient and fatigueless operation
- Premium metal construction ensures long term durability
- Fiberglass reinforced trigger is easy and quick to use
- Ideal spray nozzle for a variety of watering needs

**Model# 4400378****5-1/2" Threads Back Trigger Metal Nozzle****Features:**

- 5-1/2" thread enables you to attach a variety of accessories
- Textured grip provides comfort to prevent fatigue
- High quality metal build ensures long term durability
- Fiberglass reinforced back trigger provides control over water flow
- Ideal spray nozzle for a variety of watering needs

**Model# 4400379****All Plastic Back Trigger Threaded Nozzle****Features:**

- Threaded front end allows you to use a range of attachments
- Textured grip brings comfort & prevents tiredness
- All plastic build is durable and lightweight
- Control water flow with easy to use back trigger
- Nozzle designed to serve a variety of watering needs

**Model# 8430451****25 feet Coiled Hose with 7-Pattern Ergo Nozzle****Features:**

- 25 feet of coiled hose is stretchable and tangle free
- Hose returns to its original form for easy & quick storage
- Included 7-pattern spray nozzle serves different watering needs
- Spray nozzle comes with a back trigger & ergonomic grip for easy use
- Ideal watering products combo for a range of watering jobs

Comes in a 6/Case Packaging**Model# 8430362****18" 10-Pattern Metal Head Wand****Features:**

- 18" metal head wand for longer watering reach
- 10 different patterns provide all the watering versatility you want
- High quality metal construction provides robust durability
- Squeeze easy front pull trigger makes the job easier
- Features a soft comfort grip to prevent fatigue

Comes in a 9/Case Packaging**Model# 8430365****36" 10-Pattern Wand****Features:**

- 36" metal head wand provides ultimate reach for watering
- 10 patterns allow you to adjust watering stream according to the job
- Premium metal build means lasting durability
- Squeeze easy front lever brings convenient and easy operation
- Comes with a soft comfort grip for fatigueless use

Comes in a 9/Case Packaging**Model# 8430364****36" Aluminum Shower Head Wand****Features:**

- 36" long reach makes many watering jobs easier
- Especially designed shower head delivers adequate water stream
- Premium aluminum build makes the wand durable
- Front pull lever brings convenience and control over water stream
- Has a soft ergonomic grip that prevents user fatigue

Comes in a 9/Case Packaging**Model# 8430366****10-Pattern Adjustable 36" to 57" Telescopic Water Wand****Features:**

- 36" to 57" long reach for a variety of watering tasks
- 180 degree adjustable head brings convenience and versatility
- Comes with 10 different patterns and a valve for controlling water stream
- Cross guard protects hand from slipping
- Ergonomic flexi grip keeps tiredness at bay for longer use

Comes in a 12/Case Packaging

Model# 8430370

Adjustable 38" to 66" Telescopic Water Wand

Features:

- 38" to 66" long reach and adjustable head give flexibility and convenience
- Especially designed duckbill nozzle provides a powerful blast
- Durable unit due to premium metal construction
- Squeeze easy front pull lever is user-friendly for watering applications
- Sports an ergonomic grip for long duration jobs

Comes in a 9/Case Packaging

Model# 4400370

Adjustable Plastic Twist Nozzle

Features:

- Premium plastic construction brings long term durability
- Lightweight accessory with a small footprint
- Adjustable water stream goes from fine mist to a blast
- Easy to use and versatile nozzle for a variety of watering needs

Model# 4400390

Plastic Fan Spray with Shut-Off

Features:

- High quality plastic construction for long term durability
- Lightweight accessory with a small footprint
- Set spike allows for hands-free operation
- Comes with a valve to control water flow

Model# 8430348

Fire Hose Nozzle with Adjustable Spray

Features:

- Premium quality metal construction for extensive usage
- Adjustable water stream from fine spray to powerful blast
- Soft rubberized insulation for comfortable grip
- Easy-twist handle provides convenient operation
- Versatile nozzle for a variety of jobs from watering plants to washing your car

Model# 8430332

Thumb Control Fan Sprayer / Nozzle

Features:

- Control the water flow with the included knob
- Specialty nozzle designed for fine wide angle spraying needs
- Comes with a soft touch ergonomic grip for convenient use
- Features a soft-coated squeeze easy trigger for thumb operation
- Premium quality lightweight and durable plastic build

Model# 4400317

Hose End Rectangle Spray / Spot Sprinkler

Features:

- High quality metal build for exceptional durability
- Small footprint & lightweight accessory for standard hoses
- Sprays an area of 15 x 30 feet
- Great for watering your lawn's inaccessible areas and treating seeded spots
- Provides a gentle fountain like stream for targeted watering

Model# 4400315

Hose End Full Spray / Spot Sprinkler

Features:

- Premium metal construction will give years of usage
- Compact and lightweight accessory for regular hoses
- Sprays an area of 30 feet in diameter
- Ideal for watering inaccessible parts of the garden and treating seeded areas

Model# 4400316

Hose End 2 Hole Full Spray 30'

Features:

- Premium metal construction will give years of usage
- Compact and lightweight accessory for regular hoses
- Sprays an area of 30 feet in diameter
- Ideal for watering inaccessible parts of the garden and treating seeded areas

Model# 4400318

Hose End Square Spray / Spot Sprinkler

Features:

- Made with premium quality materials for lasting durability
- Small and lightweight hose end for use with regular hoses
- Sprays an area of 30 x 30 feet
- Best nozzle to water inaccessible parts of a garden and treating seeded patches
- Gentle fountain stream saves water

Model# 4400373

Heavy Duty 5" Brass Twist Nozzle

Features:

- Made with high quality brass for exceptional durability
- 5" heavy duty nozzle provides versatility
- Adjustable spray between fine wide stream and water blast
- Twist the nozzle to shut the water off
- Great accessory for cleaning driveways, patios, sidewalks, and more

Model# 4400372

Average Duty 4" Adjustable Brass Nozzle

Features:

- Premium brass build offers robust durability
- 4" adjustable nozzle provides versatility
- Adjust water spray between gentle wide stream and powerful blast
- Shut off water supply with a simple twist
- Ideal for removing dust and debris from patios, walls, and concrete

**Model# 4400375**

2" Brass Sweeper Nozzle

Features:

- High quality brass construction provides long lasting durability
- 2" nozzle delivers high impact water spray
- Rubberized soft touch coating for comfortable grip
- Only for outdoors use with cold water
- Removes stubborn dust and debris from sidewalks and patios

**Model# 4403376**

6" Brass Sweeper Nozzle

Features:

- Premium quality brass build gives long term durability
- 6" nozzle provides high impact water spray
- Nozzle features a fire hose design with twist adjustment
- Only for outdoors use with cold water
- Sweeps stubborn dust and debris from porches, sidewalks and patios

**Model# 4403375**

Brass Fan Sweeper Nozzle

Features:

- Exceptional brass construction for lasting durability
- Sweeper nozzle delivers high impact fan spray
- Only for outdoors use with cold water
- Sweeps stubborn dust and debris from outdoor locations

**Model# 4400357**

Plastic Sweeper Nozzle

Features:

- High quality plastic build for robust durability
- Sweeper nozzle provides a concentrated strong water spray
- Only for outdoors use with cold water
- Sweeps stubborn dust and debris from outdoor locations

**Model# 4403357**

Plastic Sweeper Nozzle with Shut Off Valve

Features:

- Exceptional quality plastic build will last for years
- Sweeper nozzle delivers a concentrated jet of water spray
- Shut off valve can be used to control water flow and on/off toggling
- Cleans out stubborn dust and debris from outdoor areas
